Press release, October 2, 2014

## **Formpipe receives order from a Swedish municipality worth SEK 3.8 million**

**Formpipe receives a supplementary order on the ECM product W3D3 from a Swedish municipality. The total order value amounts to SEK 3.8 million.**

“Solutions to create an efficient e-governance are today prioritized in the public sector. Therefore, we see that more of our customers choose to proceed with broader implementations of our products, with more users and larger license investments, which in turn builds long-term relationships with customers and secures stable income to Formpipe”, says Christian Sundin, CEO of Formpipe.

Of the total order value, license revenues of SEK 2.4 million are recorded in third quarter of 2014, while associated revenue will be allocated throughout the contract period.
