## Formpipe receives order from a UK based utilities company worth SEK 1.4 million

Formpipe receives another cloud-based Lasernet order through their partner Ferranti, for a UK based utilities company. The order value is estimated to SEK 1.4 million over a four-year period.

“We are continuously strengthening our presence in Europe and the knowledge of our offerings around our output management solutions Lasetnet is spreading specifically within the Microsoft Dynamics AX area. As a part of this work we are very happy to announce that we have succeed in building a strong cloud-based offering together with Ferranti, with Lasetnet included as a standard module in Ferrantis business support system for energy and utility companies”, says Christian Sundin, CEO of Formpipe.

The Lasetnet solution for AX utilises the strength of both Microsoft Dynamics AX and Lasetnet to deliver solutions for report design, archive and distribution.
