## FormPipe Software gets license order from the municipality of Linköping worth SEK 2.9 million

**FormPipe Software obtained a follow-on order from the municipality of Linköping for more licenses for their ECM product, FormPipe W3D3. The order value to FormPipe Software is SEK 2.9 million.**

“Municipalities in Sweden often select FormPipe Software’s products as their platform for the next generation of e-government. We are proud to have Sweden’s largest municipalities continue to invest in our products. As our end users learn the wide range of uses for our products, it also brings added license sales to the Company,” commented Christian Sundin, CEO for FormPipe Software.

Revenues of SEK 1.8 million will be recorded in Q2 2012, while maintenance revenue will be allocated throughout the agreement period.
