Lasernet Group Hits the Ground Running in 2026.

Lasernet named Temenos Exchange Partner of the Year 2026

This award reflects the strength of Lasernet's global commercial and technical partnership with Temenos. Through deep integration with Temenos, Lasernet enables compliant, branded, and high-volume customer communications to be generated, distributed, archived, and retrieved directly from core banking workflows.

"What an honour to receive the Temenos' Exchange Partner of the Year at TKO 2026. This award underlines the strategic importance of Lasernet within the Temenos ecosystem and the strength of our integration. It reflects our ongoing collaboration with Temenos and our focus on helping banks deliver high-quality, compliant customer communications. We are looking forward to an exciting and fulfilling 2026."

– Ben Saxton, VP Enterprise Solutions, Lasernet Group

Product Expansion to Address Dynamics Business Central Market

Building on this success and in alignment with Microsoft's Dynamics roadmap, Lasernet is expanding its portfolio with a new connector for Dynamics 365 Business Central to deliver document solutions to customers and partners.

"The Dynamics market is showing huge growth opportunity with Business Central. To capitalize on market momentum, we are strengthening our Lasernet portfolio to address the specific needs of the BC network."

– Anders Terp, VP Dynamics, Lasernet Group

The market launch of the new Business Central product offering is planned for Q4 2026

New Strategic Partnership with IFS

Lasernet joins the IFS partner network to deliver document automation solutions to enterprise IFS Cloud customers.

"Lasernet has already made a significant impact at Munters. It streamlines complex document workflows in our IFS environment, connects data seamlessly across our systems, and ensures every output
